

1TS Newsletter week commencing 1/6/15

Welcome back to a new term. The weather was kind to us over the half-term break and we hope you all managed to get out about with your children.

The Foundation Stage children have produced amazing habitats, each one unique. We are very impressed by the level of work that has gone into them. Thank you for supporting your children in producing these.

Our topic this term is 'The Big Race'. With Royal Ascot looming and our tradition of walking the pupils out to wave to the Queen, we decided to launch the topic with a visit to Windsor Castle on Monday. Pupils and staff alike are all very excited and we'd like to thank all parents who have volunteered to come and help us out on that day.

We will be following up the trip by writing recounts of our day and finding out more facts about the Queen so we can produce information posters.

This week we have been settling back into school by writing recounts of our half-term break and revising work on addition and subtraction. In phonics we have been focusing on syllables and how to break down words into their syllables for spelling.

Home Learning Challenge

What can you find out about the Queen?

Find one fact and write it out to bring into school and share next week.
