Headteacher  
Mrs Kate Searle

12 September 2014

Dear Parents

As mentioned last term, the Government have allocated a PE and sport premium for primary schools over the next couple of years; schools can choose how they wish to use this extra funding. Following the success of hiring a swimming coach last term, we have decided to use some of this grant to support the teaching of PE across the school. To this end we have employed a specialist PE teacher to work alongside the class teachers in delivering the PE curriculum. Mrs Higgins will be in school on Tuesday afternoons.

In addition to delivering curriculum PE, Mrs Higgins will be running a Year 3/4 netball club on Tuesday lunchtimes and activities for KS1 over their Tuesday lunchtime break. If you wish your child to participate in Year 3/4 netball, please print out and complete the attached pro-forma. If you need a hard copy please see the office on Monday morning.

Yours sincerely

Kate Searle  
Headteacher
