Dear Parents

RE: Buggy Malone Production 15 July 2016

The children have today been advised of their costume requirements.

We have already sourced a selection of costume parts but would now ask for your assistance to supply specific items, for your child's role(s).

Please find attached the full cast costume list.

We do not ask any family to be purchasing items of clothing. We ask that you source your costume through the current wardrobes of your friends and family. (eg. a jacket = one of dad's old ones). If any item your child requires is a problem, please see your class teacher as soon as possible. Furthermore, should you have any other items on the cast list that you are in a position to loan to our production, they will be gratefully received.

Each individual item of your child's costume should be clearly labelled and brought into school in a clearly named plastic bag by Friday, 8 July so we can ensure the entire cast are fully equipped.

Thank you for your support.

Yours sincerely
