Dear Parents

Potential expansion of Cheapside Primary School – The Future of our School

Earlier in the week we emailed a link to the Borough website and the consultation document for the development of school places in Ascot.

As mentioned in the letter from the Chair of our Governing Body in May, we are very excited at the prospect of being able to expand our school and would like to invite all parents to a meeting on Wednesday, 29 June at 7:00 pm at Cheapside Primary School.

The purpose of the meeting is to share with you the implications for Cheapside School, should the expansion programme be approved, enabling you to make an informed response to the consultation. We need as many parents to respond as possible.

This meeting is extremely important and will allow those present to hear first-hand what expansion of our school means for all stakeholders and we ask that a parent from each family attends. We anticipate the meeting lasting no longer than one hour and that information gathered during this time will assist you in completing the consultation document.

Members of the Governing Body and a representative from the Borough will be in attendance.

We look forward to seeing to seeing you and ask that you complete the proforma attached, to confirm your attendance.

Yours sincerely

Kate Searle
Headteacher
