'Achieving Our Best, In Thought, In Word, In Deed'

November Update 2015

What a transformation!!

We would like to say a huge 'thank-you' to the offers of help from parents to clear our pond and to those who were very kindly able to spend some time on Monday morning.

We are sure that you will agree the transformation is amazing!

Already we have seen evidence of frogs revelling in their new space.

Key Stage 1 Play

Once again, we are very excited to announce that our infant children will be performing their Christmas play for their parents on Friday, 11th December in the School Hall, starting at 2 pm.

We look forward to seeing you there.
