

Wrens Newsletter - Week Beginning 07/03/2016

This week we have read the story 'The Lighthouse Keeper's Lunch'. We have sequenced events in the story, retold it using small world scenes and written out key events in our own words. We have also made picnic baskets, written shopping lists of food we would take and made seagull mobiles.

In maths we have been doubling and halving numbers by sharing quantities of picnic food and we have used 3D shapes to make models of lighthouses.

In phonics this week we have focused on reading and spelling words with the /ow/(cow) and /oi/(soil)

Please note...

Some of the bookbags now have a lot of keyrings hanging on them which is making it difficult to put them in the children's drawers. We would appreciate it if the number of keyrings could be limited to two.

Many thanks

This Week's Home Learning Challenge:

See accompanying sheet...

...please select from the activities on the sheet.

The Lighthouse Keeper's Lunch

Home Learning Challenge

Write a shopping list for the ingredients you would put in your favourite sandwich.

Mr. Grinling has to go to the lighthouse come rain or shine. Can you draw the clothes he would need to take with him on a rainy day?

Draw a picture of a lighthouse. Choose 2 colours and decorate it with a repeating stripy pattern, like Mr. Grinling's lighthouse.

Help someone at home when they are making lunch. Talk to them about how to stay safe in the kitchen.

Mr. Grinling has a very busy day. Write down one thing he does in the morning, one thing he does during the day and then one thing he does at night-time.

Hamish the cat felt scared when he had to go in the basket. What could you do to make Hamish feel better?
