Mrs Kate Searle

18 July 2017

Dear Parents

We are delighted that the building work is progressing and we are assured during our regular meetings with RBWM and the building company, there will be significant work done and changes made over the summer holidays.

However, at our site meeting yesterday, we have had confirmation that the new classrooms will be handed over to us when they are all completed rather than a phased handover. This will be by the October half term.

In the meantime, for the six weeks of the first half term, we will be teaching in single year groups and utilising all the space that we currently have in school.

We appreciate this will be a little disruptive but are sure that the children will adapt and find it quite exciting:

Reception Class will be in Wrens Class.

Year 1 will be in Robins Class.

Year 2 will be in the Star Room.

Year 3 will be in the Library.

Year 4 will be in one half of the hall.

Year 5 will be in one half of the hall (the hall will be properly divided).

Year 6 will be in Owl Class.

When the building work is completed, Years 3 – 6 will be in the new build and Year 2 will move into the current Year 6 class, keeping the 3 infant classes near each other.

Thank you for your continued support during this time and we kindly ask that you continue to park considerately for our neighbours in Watersplash Lane and not Dorian Drive when we return in September.

Yours sincerely

Kate Searle and Amelia Robinson
Headteacher Chair of Governors
