

Dear Parents,

We would like to take the Foundation Stage children in Wrens on a walk around the local area. We will be walking up the alley way to Cheapside Road, along Cheapside Road and then back down Watersplash Lane into school.

The children will be looking at different physical and human features of the local environment, both natural and man-made. Weather permitting we are planning to go on the following day:

Tuesday 17th January 2017 at 10am

Should the weather be very wet or cold that day, then we will postpone the walk to another day.

Please could you ensure that the children have a warm coat in school on Tuesday ready for our walk.

This off site walk is covered by your annual offsite activity consent form which you have already signed.

If there are any parents who would be available to help with the walk, then this would be much appreciated. You would need a current school DBS check. Please see any of the class teachers and let them know if you can help.

With thanks Mrs Thomas and Mrs Summers
