

where Am I?

ALIENS

Spoken I have never seen a place like this before,
It's very strange and not like home at all!

- 1 *(Solo)* Where am I?
(All) Where have we landed?
(Solo) Where am I?
(All) I think we're stranded.
(Solo) Where am I?
(All) It's not like home at all.
- 2 *(Solo)* Where am I?
(All) It's not familiar.
(Solo) Where am I?
(All) It's quite peculiar.
(Solo) Where am I?
(All) It's not like home at all.

CHORUS *I've never heard of a planet like this.
Who's ever heard of a planet like this?
We have come from outer space
To discover the human race,
And it's not like home at all!*

- (All)*
- 3 Let's explore,
Take in the scenery,
See the sights,
Do you agree with me?
Seems a shame to rush back home
Now we're here.
- 4 Let's pretend
That it's a holiday,
It's ages since
We had some time away.
Seems a shame to rush back home
Now we're here.

CHORUS *I've never heard of a planet like this.
Who's ever heard of a planet like this?
We have come from outer space
To discover the human race,
And it's not like home,
And it's not like home at all!*
