

Wrens Newsletter - Week Beginning 12/12/2016

This week we have been reading the Nativity story and sequencing pictures to tell the story. We have had our dress rehearsal for the Christmas play and we finished the week with the fantastic performance on Thursday afternoon to you all.

We are really proud of all the children and how well they have learnt our songs and remembered the actions. I am sure you will agree that the Christmas production was lovely and the children were fantastic!

A quick reminder:

If your child has a reading book, please could you remind them to place the book and their reading record in their book bag everyday so that we can hear them read and change their books if necessary. You are welcome to help your child to change their reading book at the start of the day. We would really appreciate it if you could help and encourage your child with this when we come back in January.

Can you help? Would you be interested in hearing children read?

If there are any parents who would be interested in hearing children read, then please come and chat to us. We are always looking for help with reading and the more opportunities the children have to read the better. If you don't have a current DBS check but would be interested in helping then please chat to the office staff who will explain what you need to do to apply for one.

Tapestry Observations

As we are reaching the end of your child's first term in school, we would like to remind you about your child's learning journey.

The learning journey observations that we post on Tapestry are a lovely record of what your child has been doing in school and the great home learning that you have been supporting your child with at home.

We would like you to be a continued part of this record of your child's learning journey and we encourage you to also post **achievements** from home.

Examples of the kind of things that you could post in your child's learning journey:

Jack has worked really hard in his swimming lessons and is now on level 2. We are really proud of him.

Sophie remembered how to write the word 'the'.

Harriet has been very helpful at home. She is keeping her bedroom tidy and helps to look after her little brother.

Harry read all the numbers from 1-20 on the doors as we walked home from school.

If you notice your child achieving something for the first time then please post this on tapestry and tell us about it. Write it down on a piece of paper, take a photo and then we can add these 'wow' moments to our wall.

Thank You

Finally, as this is the last newsletter of this term we would like to thank you all for all your support. I am sure you will agree it has been a busy term!

We hope you all have a wonderful Christmas and we look forward to seeing you all in the New Year.
