

The Children of Wrens, Robins and Doves Class would like to invite you to an afternoon of Christmas song, storytelling and craft.

Tuesday 12th December 2017 1.15pm

Our afternoon will begin at 1.15pm in the hall, where the classes will be entertaining you with Christmas songs and a narration of the Nativity Story. After this the children would very much like you to join them back in their classrooms for some Christmas craft making and some refreshment. We will be providing all the materials for your craft activity and the children hope you will enjoy sharing and making a Christmas decoration to take away with you.

The afternoon will finish by 3.15pm

We look forward to welcoming you to our festive afternoon!

Please note if you have more than 1 child in the infants then we will make sure your children are together in an agreed classroom so that you can enjoy your time with all your children.

Due to space in the hall, we are limiting this afternoon to a maximum of 2 parents/carers per child.
