Dear Parents

## **Meet the Teacher**

At the beginning of every year each teacher will be holding an informal meeting open to all parents of children in their class to discuss class routines, homework expectations and topics for the term etc. These will be held at the end of the school day at home time and you are welcome to come along with your child. Siblings in other classes will be supervised for the duration of the meeting. There will be a printed and electronic summary available for everyone and especially for those who are unable to attend.

We will then be offering an opportunity for you to meet with your child's teacher during November to discuss how your child is settling in to the new academic year. Appointment times will be available after half term and allocated slots for you to sign up will be available nearer the time, including early evening times. If necessary, you will be able to make a further appointment if you have any concerns you wish to discuss in depth.
