**This will be our main fundraising event this year and
we really hope to make it a huge success!!**

These fundraising events put the "cherry on the cake" for our children by paying for additional treats such as the pantomime, and school trips etc. It is therefore a great chance for all the school to pull together and maximise all the contacts we have between us. This year we'd particularly like to fund the new school lockers and welly racks too.

During the evening there will be further fundraising opportunities, such as table games and of course some amazing prizes in the Raffle and Auction.

It is with the raffle and auction that we'd love your help specifically. We are looking to secure some great prizes and Auction Lots such as:

A round of golf / sporting packages
Beauty packages
Health Club membership
Weekend breaks/ holidays
Food & Drink Gifts/ Hampers
Luxury Lifestyle Items – eg Electrical Goods
Home Improvement Package (eg decorating or interior design consultation)
Theatre / Sporting Tickets

Photographic Studio Voucher
Boutique vouchers
Garden Centre voucher / gardening voucher
Cookery Course / Wine tasting
Red Letter type experiences eg Flight Simulator / Formula 1 Day
Signed memorabilia
Art!

With under 2 months to go, we are keen to secure everything as soon as possible. Therefore, if you, your friends, family or business contacts can help with a prize or sponsorship, please contact any of the Ball Committee:

Kate Anstis | Rachael Belfrage | Michelle Chambers | Helen Cross-Fancy | Lisa Naji | Sophia Hamblin

Sponsorship Opportunities

We are also offering sponsorship opportunities towards a welcome drink, after dinner coffee, wine, or simply a donation towards the cost of the event to help us maximise the profit. All sponsors will be acknowledged on all publicity material. There is also a fantastic sponsorship package available for local businesses who would like to attend and promote their business to a captive audience whilst donating to such a worth cause.

For more information on business sponsorship packages speak to Kate Anstis - 07977 429943

Many thanks all for your support.

Let's make this a great year for our school fundraising!
