Dear Parents

Re: Anglo-Saxon and Viking Workshops

As part of our topics on the Anglo-Saxons and Vikings, we have arranged an Architectural Workshop in school for Year 5 and Year 6 on Tuesday, 5th December.

The children will be involved in the construction of a Saxon Roundhouse in the morning and a Viking Longboat in the afternoon – in which all of the children will be able to sit. The workshops will be conducted in the Hall by Architectural Workshops; they have a website on which there are photographs of some schools who have taken part in the workshops and a brief description of each. Please feel free to visit it at www.architectureworkshops.org.

The cost of both workshops is £9 per child and we are grateful to receive your voluntary contribution on line via your SCOPAY account which will cover the costs of the visitors running the workshops.

Whilst this is a voluntary contribution, workshops in school of this kind can only continue in the future with regular support from parents.

If you have any queries please see the Office staff.

Yours sincerely

Mr Searle & Mrs Hayden
Year 5 & Year 6 Class Teachers
