Phonics information evening for Wrens – Monday 8th October 2018 6-7pm

Dear Parents,

Now that your children are in school full time and are beginning to settle, I would like to invite you into school for a short presentation on phonics and how we teach phonics at Cheapside. Phonics is a way of teaching children how to read and write. It helps children hear, identify and use different sounds that distinguish one word from another in the English language. The aim of the information session is to give you a very brief overview of the phonics programme your child will be following, but more importantly to give you an opportunity to see how we teach phonics, what resources we use and how you can help and support your child at home.

The session will run from **6pm-7pm on Monday 8th October 2018** and will begin in the hall with a short power point presentation. We will then move into Wrens Class where you will be able to view some of the resources and activities your child will be doing in class. There will also be a chance to ask any general questions about how we teach phonics.

I hope you will find the evening informative and helpful and I look forward to welcoming as many of you as possible on the 8th October. Please could you complete and return the slip below indicating whether or not you intend to attend.

With thanks

Mrs Summers

Child's Name-----

I/We will/will not be attending the information evening on Monday 8th October at 6pm
