

Online Home Learning Resources

In addition to the work provided by class teachers which we expect to be completed, we are suggesting the following websites and resources for home learning. These are optional resources that you can use to support or extend home learning.

Children have their own individual logins for Times Tables Rock Stars and Purple Mash so work might be set using these websites. In addition, you can also access additional learning resources. Class teachers will ensure pupils know their login details. Please make use of these websites.

Purple Mash - <https://www.purplemash.com/sch/cheapside>

Times Table Rockstars - <https://trockstars.com/>

There are also free websites below that you might find useful. We are not responsible for the content of these websites, so as a parent please check any sites before your children use them and check that the content is age appropriate.

Museum Tour

There are lots of free virtual museum tours that you can take.

<http://www.amazingeducationalresources.com/> - this site will give you a list of all the educational websites currently available.

BBC Bitesize

<https://www.bbc.co.uk/bitesize> - this site is old and no longer updated but there is so much available, from learning a language to BBC bitesize revision. No TV license required except for content on BBC iplayer.

ICT Games

<https://www.ictgames.com/> - games for maths and literacy

Blockly

<https://blockly.games/> - Learn computer programming skills – fun and free

Scratch

<https://scratch.mit.edu/> - this is a free programming language and online community where you can create your own interactive stories, games and animations.

National Geographic Kids

<https://www.natgeokids.com/uk/> - Activities and quizzes for young children.

Cbeebies radio

<https://www.bbc.co.uk/cbeebies/radio> listening activities for younger children.

Oxford Owl for home

<https://www.oxfordowl.co.uk/for-home/> - this site has free e-books as well as online games and activities

Topmarks

<https://www.topmarks.co.uk/> - this site has some great education games and resources, you can browse by subject and age.

Conker Maths

<http://www.conkermaths.org/>

The purpose of the applications on this site is to help support the teaching of maths in schools and at home. Applications focus on elements of the National Curriculum and for each of the applications that support written methods, they have tried to combine very focused sets of questions along with help that is targeted at the types of mistakes the pupils might be making.

Love Reading 4 Kids

<https://www.lovereadinglearning4kids.co.uk/kids-zone/> - book ideas, videos and activities linked to reading and promoting reading.

Epic books

<https://www.getepic.com/> - leading digital library for children under 12 years of age.

Go noodle

<https://www.gonoodle.com/> - a great website containing movement and mindfulness activities for children and families. Might help to burn off some energy!

BBC Supermovers

<https://www.bbc.co.uk/teach/supermovers> - 20 minute active learning programmes for children.

BBC Teaching resources

<https://www.bbc.co.uk/teach/teaching-from-home-advice-for-parents/zv6bbdm>

The BBC is also signposting links to their websites so that, no matter their age, students can continue the learning from home.

BBC Dance Mat Touch Typing

<https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr> if your child is in KS2 then this programme can be used to teach your children how to touch type.

Classroom Secrets

<https://kids.classroomsecrets.co.uk/> - this is a site packed full of activities to do independently that are practical, fun and engaging.

Phonics Play

<https://www.phonicsplay.co.uk/> - there are free phonics games on this website. Reception should look at Phase 3, Year 1 at Phase 3,4 and 5 and Year 2 Phase 3,4,5 and 6. The username is **march20** and password is **home**.

<https://www.phonicsbloom.com/> - free phonics games as above..

Teachitprimary

<https://www.teachitprimary.co.uk/> - general website for supporting learning, online games and activity ideas.

UR brainy

<https://urbrainy.com/> - Maths and English worksheets that you can download and use at home.

Numbots – Maths resources and games

To use NumBots during the school closure, pupils have been granted free access until 27th April 2020. The quickest way is to login to [TT Rock Stars](#) and press the NumBots logo in the corner.

Muddy Puddle Teacher

<https://themuddypuddleteacher.co.uk/> -free access to outdoor learning resources and activity ideas.

Numberblocks

<https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks> free online counting videos and sing-a-long songs suitable for our younger children in Wrens and KS1

Forestry England

<https://www.forestryengland.uk/blog/10-ways-keep-the-kids-entertained-through-covid-19> - great ideas for outdoor activities to do with children

We would urge you to continue with daily reading and in addition encourage building with construction materials, working on a short story, practical maths, board games, drawing and painting, puzzles, role-play/drama and craft projects. Encourage independent research around subjects of interest and make posters, power point presentations or information leaflets around that subject.

We hope you find this information of help.

The Senior Leadership Team
