“

**A love of reading is the biggest indicator
of future academic success.**

OECD (The Organisation for Economic Co-operation and Development)

”

Why should you read with your child?

1,800,000 words  90th percentile	282,000 words  50th percentile	8,000 words  10th percentile
This child reads for 20 minutes a day.	This child reads for 5 minutes a day.	This child reads for 1 minute a day.

How many times have you already read today?

It really is a vital skill.

Reading at Cheapside

What we do, how we do it and
how you can help.

The National Curriculum asks that children:

- Read easily, fluently and with good understanding (early comprehension)
- Develop a habit of reading widely and often, for both pleasure and information
- Acquire a wide vocabulary, an understanding of grammar and knowledge of linguistic conventions for reading, writing and spoken language
- Appreciate our rich and varied literary heritage

It is essential that, by the end of their primary education, all pupils are able to read fluently, and with confidence, in any subject in their forthcoming secondary education.

Phonics

Everything you need to know to decode the funny noises your
child comes home making after a day with us! 😊

What is Phonics?

Phonics (apart from being lots of fun) is the way we teach children how to read and write in an orderly way – it may sound complicated but children pick it up really quickly with lots of practise at school and at home.

Through phonics, children are developing their phonemic awareness. This means their ability to hear, identify and manipulate the sounds within words to read and write them.

“

Phonics is:

making connections between the sounds
of our spoken words and the letters that
are used to write them down.

”

Little Wandle Letters and Sounds Revised

Our school has chosen *Little Wandle Letters and Sounds Revised* as our systematic, synthetic phonics (SSP) programme to teach early reading and spelling.

Phonics Overview

It is split into 5 phases with the different phases being covered in different years in Foundation Stage and Key Stage 1.

Phase 1– Nursery / Reception

Phase 2– Reception

Phase 3– Reception

Phase 4– Reception / Year 1

Phase 5– Year 1/Year 2

We teach blending so your child learns to read

- Teacher-led blending is taught throughout Phase 2.
- Our aim is to teach every child to blend by Christmas.
- We will inform you if your child needs additional practice.

Blending to read words

Tricky words

- These words have unusual spellings e.g. he, the, was.
- They are taught in a systematic way.
- Children are now learning to read the Phase 2 tricky words: is, I, the, put, pull, full, as, and, has, his, her, go, no, to, into, she, push, he, of, we, me, be.

Structure of a Phonics Session

Review/Revisit
Teach & Practise
Practise & Apply

Children are taught phonics for 15 minutes a day which gradually increases to include handwriting, spelling and reading sessions. Children will be given opportunities to apply this knowledge across all areas of their learning through-out the school day.

Little Wandle Letters and Sounds Revised 2021: Programme progression Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in jolly decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

Spelling

- Your child will be taught how to spell simple words, using the graphemes they have been taught.
- They will practise the correct formation of letters. They will also have handwriting lessons.

Reading at school

How do we teach reading in books?

Reading practice sessions are:

- timetabled each week
- taught by a trained teacher/teaching assistant
- taught in small groups.

* Additional 1-1 reading with each child when possible with a teacher, TA, volunteer or older child.

Reading Practice Sessions

There are three elements to the group Reading Practise Sessions:

- 1) Decoding
- 2) Prosody – expression and intonation
- 3) Comprehension

In order to cover all the above the reading practice book will be read up to three times.

Children will need to be able to decode the words confidently before they can add expression and fully discuss the text.

We practise reading some of the words before looking at the book.

By re-reading a book the children grow in confidence in their own capabilities, and they begin to add new words to their long-term memory.

We use assessment to match your child
the right level of book

Reading a book at the right level

This means that your child should:

- Know all the sounds and tricky words in their phonics book well
- Read many of the words by silent blending (in their head) – their reading will be automatic
- Only need to stop and sound out about 5% of the words but they should be able to do this on their own.

Before exchanging their book for a new one.

Reading at home

Parent Support

- Set aside 10—20 minutes everyday for reading practise.
- Sign the Reading Record Book
- Return the school reading book, reading record book and wallet each day

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

Books going home

Reading a wordless books

Wordless books are invaluable as they teach reading behaviours and early reading skills to children who are not blending – yet!

- Talk about the pictures.
- Point to the images in the circles and find them on the page.
- Encourage your child to make links from the book to their experiences.

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- If they can't read a word read it to them.
- Talk about the book and celebrate their success.

Read to your child

The shared book is for YOU to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - Introduce new and exciting language
 - Encourage your child to use new vocabulary
 - Make up sentences together
 - Find different words to use
 - Describe things you see.
