Our Week - 28th September 2026

by Deanna Coe - added 03 Oct 2026 09:01 PM

Children: Test Test

Notes

Hi Everyone,

A quick summary of our week!

We have introduced more learning into our daily routine this week:

Phonics:
A daily lesson and this week we have learnt how to say and recognise the sounds SATP. Please see our class page on the school website for an information sheet so your child can share what they have learnt with you. I have also popped a copy in your child's book bag.

Maths:
We have practised matching and making sets this week

Literacy:
We have been reading Stick Man and the children were so excited to find that he had escaped from our curiosity box and explored our school! The children have been practising putting the letters in their name in the correct order and tracing a stick man picture. This is to improve their pencil control. Once the children are secure on ordering the letters in their name they will begin to trace their name with correct letter formation. Only a capital letter at the beginning!

PE:
We practised bouncing and catching a large ball with a partner.

Geography:
We started looking at maps and practising being able to find symbols on a map. The class enjoyed playing pirate bingo!

Handwriting:
We have been exercising our hands whilst dancing to dough disco and practising tracing over wiggly lines.

Forest School:
The children set up a wild life camera to see if they could film a hedgehog as Mrs Miles had noticed a nest in one of the hedgehog houses. The children are looking forward to seeing the footage next week! Th children were great in the forest and Mrs Miles said she really enjoyed spending time with Wren Class.

PSHE:
We have started to learn about the Zones of Regulation and how we can help ourselves to recognise and manage our feelings. This week we learnt about the 'green' zone where we feel calm and ready to learn, play and be kind and helpful to our friends. We discussed what 'tools' help us stay in the green zone such as listening to others.

RE:
We started our RE topic on Special People and the children enjoyed talking about their family and the special things that they do together.

The children have started attending assembly on Wednesday, singing and Friday, Headteacher's Celebration. They have sat amazingly with the rest of the school!

The children were also super brave this week as we had a fire alarm practise. They coped really well as it can be quite scary!

Next week we are reading the story The Gruffalo!

This is the link to our class page where you can find our home learning for the term and information on what the children have been learning on phonics.

I hope you all have a lovely weekend and look forward to seeing you on Monday.

Regards

Mrs Coe
