Our Week - 5th October 2026

by Deanna Coe - added 11 Oct 2026 10:15 PM

Children: Test Test

Notes

I hope you have all had a lovely weekend!

A quick summary of our learning this week...

Phonics:
This week we have learnt how to say and recognise the sounds INMD. Please see our class page on the school website for an information sheet so your child can share what they have learnt with you. I have also popped a copy in your child's book bag.

Maths:
We have practised sorting objects into groups and describing how we have sorted them e.g. by colour, shape, etc and finding an object that doesn't belong in a set.

Literacy:
We have been reading The Gruffalo, drawing our own recipe and tracing our name. The children enjoyed making scrambled snake, gruffalo crumble and owl ice cream in the outdoor area and making terrible creatures using purple play dough.

PE:
We practised kicking a large ball and controlling it with our feet.

Science:
We looked at different types of weather.

Handwriting:
We have been exercising our hands whilst dancing to dough disco and practising tracing over wiggly lines.

Forest School:
The children watched the footage from the wildlife camera and saw lots of animals but not hedgehog! The camera recorded a fox, cat, deer and a rat! EEEK! The children then enjoyed exploring the forest.

RE:
As part of our topic Special People, the children enjoyed talking about their friends at school and why they are special to them.

Next week we are reading the story Christopher Pumpkin and learning about why we celebrate Harvest Festival.

This is the link to our class page where you can find our home learning for the term and information on what the children have been learning in our phonics lessons. I have added a link to the Little Wandle Parents Page which shows you how to say sounds correctly as a 'pure' sound.

Apologies for the lack of Tapestry photos recently. I have a lot to post and show you and will try and get some sent to you this week.

Regards

Mrs Coe
